Virtue Focus - Being forgiving is giving someone another chance after they have done something wrong, knowing that everyone makes mistakes. It is making amends instead of taking revenge. It is important to forgive yourself, too. Forgiving yourself means to stop punishing yourself or feeling hopeless because of a mistake. Forgiveness is moving ahead, ready to act differently, with compassion for yourself and faith that you can change.

"It is by forgiving that one is forgiven." Mother Teresa

4 Year Old Kindy 2018 - Families with students already in the school will still need to enrol siblings for 4 Year Old Kindy. Applications are available from the School Office or the school website, processing will begin in Term 2.

ART: "I begin with an idea and then it becomes something else." Pablo Picasso. In the art room we are currently studying Pablo Picasso and many of his artworks. Students will be asked to create art influenced by either his: Blue Period, Rose Period, African-influenced Period or his Cubism. Student will be challenged to demonstrate their ideas, skills and production of their individual piece/s. They will also be asked to respond to both their own work and that of others, including Picasso's. Picasso produced over 20,000 pieces of art, so there will certainly be something for everyone. Students may like to work on their projects at home or at school and/or discuss their art with family members. Happy creating! Mrs Kate Capone
