Virtue Focus - Understanding is thinking clearly. It is using your mind so that you can see the truth about things. It is paying careful attention and thinking about things in order to see their meaning. Understanding is also having empathy and showing compassion. Understanding gives us the power to think and learn and also to care.

"Understanding is the first step to acceptance, and only with acceptance can there be recovery." J K Rowling

Please register at www.eventbrite.com.au or phone 9477 0400, bookings are essential.
