Virtue Focus - Understanding is thinking clearly. It is using your mind so that you can see the truth about things. It is paying careful attention and thinking about things in order to see their meaning. Understanding is also having empathy and showing compassion. Understanding gives us the power to think and learn and also to care.

Class Co-ordinators

We still need class co-ordinators for Pre Primary Red, One Red, Two Red, Two Blue, Three Red, Three Blue, Four Red, Four Blue, Five Red, Five Blue and Six Red.

This is a very important role for the school community and although it may sound daunting the role is primarily to facilitate communication between parents, teachers, friends and the leadership team. The P&F is always available for support if you need help or have any further questions. If you would like to be a class co-ordinator or would like more information please call into the office or phone 9583 8500.
