Virtue Focus - Being **responsible** means that others can depend on you. You are willing to be accountable for your actions. When things go wrong and you make a mistake, you make amends instead of excuses. When you are responsible, you keep your agreements. You give your best to any job. Responsibility is the ability to respond ably. It is a sign of growing up.

"Life is a succession of lessons which must be lived to be understood." Helen Keller

ACPS Art News - Welcome back for another term of creativity. This term we will continue our focus on **Pablo Picasso** and his work. Students are encouraged to visit our **ACPS projects, which will be displayed in the foyer of the Mandurah Performing Arts Centre throughout the Stretch Festival, this weekend Saturday 6 May and Sunday 7 May (10am - 4pm)**. There will be many opportunities to participate in the Art Trail and Big Draw free art activities on both Saturday and Sunday. CASM has the Masterpieces 2K17 Youth Art Awards; an exhibition is for 12 - 25 year olds. It is well worth a visit and you may recognise some of the artists. Please see the CASM website for further details. We will have an **Art Display in our school library during weeks 3 and 4** as our senior students complete their Picasso inspired pieces. Students will be encouraged to visit these creative artworks in their library time. Finally, we are hopeful that six pieces will be chosen to go to Forrest Chase in the city for the Angelico Art Exhibition for Catholic Schools from Monday 24 July to Friday 11 August.

Dance Performance & Workshop - The Cord is holding a free, all ages workshop. Come explore how any sound, however obscure, simple or silly, can be made into a beautiful soundscape.
