MJR & Virtue Focus: B.I.Y: Believe in Yourself. Many people think that they are born with an amount of ability and that is it for their life. Things cannot get any better. This is a 'fixed mindset'. Other people realise that they can improve and learn and develop their abilities. This is a 'growth mindset'. Can you remember a time when you did something that you thought you could not? Give it a go! You might be amazed at what you can achieve.
